# Author Correction: Salt concentration and charging velocity determine ion charge storage mechanism in nanoporous supercapacitors

C. Prehal<sup>1,5</sup>, C. Koczwara <sup>1</sup>, H. Amenitsch <sup>2</sup>, V. Presser <sup>3,4</sup> & O. Paris<sup>1</sup>

Correction to: *Nature Communications*; <https://doi.org/10.1038/s41467-018-06612-4>; published online 08 October 2018

The original version of this Article contained an error in the Acknowledgements, which was incorrectly omitted from the end of the following: ‘The research leading to these results has received funding from the European Community’s Horizon 2020 Framework Programme under grant agreement n° 730872.’ This has been corrected in both the PDF and HTML versions of the Article.
